Achievements of Staff on Regular Basis

The college has established a robust documentation system to recognize and reward staff contributions, supporting performance reviews, career advancement, and internal communications. Through a standardized online submission process validated by Department Heads, achievements are recorded and showcased in reports, publications, and digital platforms, with updates to service books and personal files, and documents submitted to the Directorate of Higher Education for Career Advancement Scheme (CAS) purposes. Additionally, IQAC circulates a Google Form annually to collect staff achievements, including publications, awards, and participation in refresher/orientation/faculty development programs, with staff requested to email supporting documents to IQAC, ensuring accurate and up-to-date records and fostering a culture of appreciation, excellence, and continuous improvement.
