## b. Yashwant Vatika

The Yashwant Vatika, situated at the college's entrance, serves a dual purpose. This lush garden promotes the college's commitment to green initiatives and pays tribute to Dr. Yashwant Singh Parmar, revered as Himachal Nirmata (Architect of Himachal). By dedicating this serene space to his legacy, the college inspires students to emulate his ideals, fostering a deeper connection with the region's history, heritage, and nature. The garden's beauty is meticulously maintained by the college gardener, and its sustainability is ensured through rainwater harvesting, utilizing connections from the college's rainwater tank for irrigation.

c. Creation and maintenance of Botanical Garden:

There is a permanent Mali /Gardner Sh. Ravi to maintain the garden and various plants in the campus
